NOTE FOR: Panelists

STAT

SUBJECT : Conference on Europe in the Eighties

1. Attached is an up-to-date agenda of the April 5-6 Conference, including a listing of the speakers and discussants. The other conference invitees will include academic specialists from the Washington area, government analysts on European subjects, and selected policymakers.

2. The two-day discussions will be off the record and not for attribution. This is essential if we are to create an atmosphere for a frank and candid dialogue among government and non-government specialists.

3. It would be helpful to the discussants if the Speakers were to provide us with a 2-3 page outline or summary of their opening statement by the end of March, which we could distribute prior to the meeting. These outlines can be sent to:

National Intelligence Council
Central Intelligence Agency

4. We are arranging a luncheon for all the panelists on April 5th at the Foreign Service Club, across the street from the State Department (2101 "E" Street). Please let me know if you plan to join us for lunch

5. We look forward to seeing you in April.
